Measures to control exodus of doctors

643. DR. BAPU KALDATE: Will the PRIME MINISTER be pleased to state:

(a) whether Government have made any assessment regarding the annual brain drain of doctors, particularly after completion of their training in various institutes in the country such as the AIIMS;

(b) if so, what are the details thereof;

(c) what is the estimated annual loss suffered by Government on account of expenditure incurred on the training of such doctors in medical institutes;

(d) what measures have been taken by Government so far for checking the exodus of doctors seeking foreign assignments;

(e) whether any critical review of the measures taken so far has been made by Government to identify the shortcomings in containing the brain drain; and

(f) if so, what are the details thereof, stating the steps contemplated by Government in the matter?

THE MINISTER OF STATE IN THE MINISTRY OF HEALTH AND FAMILY WELFARE (DR. C. SILVERA): (a) and (b) A study relating to immigration of AIIMS graduates (1956-1980 batches) was done by the faculty members of AIIMS with the sponsorship of the Deptt. of Science & Technology, New Delhi. The brain drain as assessed in the report for the period 1956-1980 was found to be an average of 56.2 per cent.

(c) No assessment is available.

(d) to (f) Such measures include.

(i) better promotional avenues and allowances to doctors employed by the Central Government, providing modern equipment and research facilities in tertiary care hospitals;

(ii) restrictions on going abroad for studies in medical disciplines where training facilities have already been developed in the country;

(iii) No Obligation to Return to India Certificate (NOR) which is a pre-requisite to the process of migration to USA is granted by the Ministry of Health & Family Welfare in exceptional circumstances.
